“Junk/salvage” is hereby defined as any discarded material such as metal, paper, rags, or anything that is regarded as worthless, meaningless, contemptible, or mere trash, which shall include both organic and inorganic material.

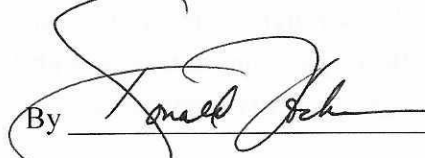

“Rubbish” is hereby defined as any and all discarded metal, plastic, glass, ceramic, and organic materials; animal feces or offal; pasteboard; rags; mattresses; discarded furniture or appliances; discarded clothes, shoes and boots; leather; carpets; broken glass; crockery; bottles; excelsior; floor sweepings; metal packing boxes and barrels and broken parts thereof; cans; tires; household refuse generally including garbage; non-salvageable demolished building materials; and any other material which by reason of its nature might give off toxic chemicals, obnoxious odors or dust, or be unsightly or a fire hazard or harbor rats, vermin, insects or termites to the detriment of the health, safety, or general welfare of the residents of the Borough.

**Section 3.** Any person who violates this ordinance shall be subject to a fine of \$500.00 for each violation.

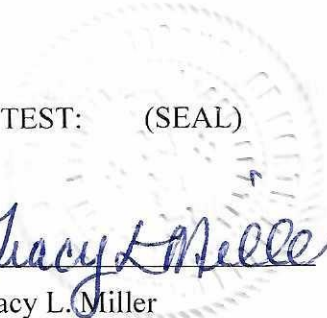

Section 4. All ordinances or resolutions or parts thereof that are inconsistent with the provisions of this ordinance are hereby repealed.
